Send me an email to tftjohnpaul\_at\_gmail.com, put The Fantasy Trip in subject line. Provide the data below and I will add your name to this list.

All areas are in the U.S. unless otherwise noted.

I'm providing this as a service to our TFT gaming community.

You can provide full address or phone numbers if you want, but I'm trying to prevent this list from being specific enough to be of any use to a webcrawler, spider, marketers and similar icky green things. I will place the data in here if you provide them. Nonetheless, if you want off, please e-mail me and I'll take you off.
